

Maximise Your Dental Practice Success

Most practice owners are stuck *running* their business instead of *growing* it. If your practice depends on you to survive, it's not truly a business yet. You've built a great practice - now make it a *great business*.

Join us for an intimate, high-impact half-day workshop designed for practice owners who want clarity, control, and sustainable growth.

You'll learn the 4 pillars of a thriving practice:

-  **Efficient, sustainable strategies** to boost production
-  **Business intelligence** that drives stronger financial results
-  **Smarter consumables** purchasing using Henry Schein tools
-  **Leadership systems** to attract, retain, and empower top talent

Plus, enjoy a relaxed, collaborative environment while earning **4 CPD** points.

Secure your place today and enjoy 50% off.

Walk away with practical systems you can implement immediately.
